In as much as there are always a few collectors of paper money in most coin clubs, I am trying this method of reaching them, to offer an outstanding lot of notes in perfect condition, and with unusual examples of engraving and coloring. At the same time by pooling their orders and remittances, I am enabled to offer a substantial saving. It will also enable all of your members to examine some obsolete bank notes at first hand, especially those who are not too familiar with this type of a collection.

In a special offer to club secretaries I am enclosing herewith, one each of the singles, of which there are 9, and 1 of the sheets, making a total of 10 pieces, which is subject to a discount of 25% as shown on the above list. The total list is \$12.80 and the net amount if entire lot is kept will be \$9.60.

There are 6 different sheets in this offering and on orders of 10 or more, mixed or otherwise, they will be sent flat and prepaid, as will all of the singles, as well.

I deal only in Obsolete Bank Notes and U S Bank Notes. Am interested in purchasing lots and accumulations of singles and sheets.

I am enclosing a self addressed stamped envelope for a reply, remittance, or return of the notes. If you wish additional copies of this list please advise. There is no obligation whatever to keep or purchase any of these notes. Your comments or reactions to this type of merchandising will be welcomed. However, I do not wish to burden secretaries with unnecessary correspondence, and this type of remittance, return of notes, or use of this list as a check list in ordering is designed to that end.

THIS A CIRCULAR I SENT TO
CLUB SECRETARIES SOME TIME
AGO.

Very truly yours,

Dear Mr. Newman:

I wish to acknowledge receipt of your letter dated June 16th, together with enclosures of 43 New Orleans, La. items, for which I thank you. I too have been out of the city the last several days. Sorry to hear the Bank of the U S notes are phony, you shouldn't have disillusioned me.

I am returning 22 of the New Orleans notes, and have kept 21 of them either that I do not have or wish to keep because they are in better condition than I have now. I think it would be better if we priced our own notes and sheets, as in general it will reflect our costs more accurately, and would be better all around. What do you think of this?

I am returning the following notes.
La. State Bk. \$5.00 City Bank 5, 10, 10.

Mr. George C. Murphy

Dear Mr. Murphy:

Thanks for your letter of June 21, 1948.

I would like for you to send me Farmers Bank of Kentucky sheets of each denomination and South Carolina revenue bond sheets. This will make a total of six sheets to be sent. I am enclosing four sheets which may be of interest to you and two additional New Orleans notes I found. It strikes me that with your keeping what you already received plus those enclosed, and my keeping what I have and the new sheets I will receive from you, the exchange ought to be more or less even.

I am still saving the Citizens Bank of Louisiana notes for you and Mr. Blanchard, but do not know what to do about them as I know they are scarce and I have no idea as to what to exchange them for other than some very rare and unusually interesting note.

I certainly wish you a lot of luck in developing more interest in paper money. If your business gets to a point where you would like to take over all of my duplicates, we might be able to work out something.

Be sure to come to see me whenever you are passing through this section.

Sincerely yours,

EPNewman/me

Dear Mr. Newman:

I am very sorry indeed not to have answered your letter of June 28th sooner, but the fact is I have been in the process of moving, with the result of my mind on other things. I have not definitely settled down yet, but hope to soon.

I am sending under separte cover the 3 sheets of Farmers Bank of Kentucky and the 3 sheets of South Carolina Revenue Bond Scrip. In addition I am enclosing all of the material you sent me to date, and making a list of both your items and mine priced so that a fair comparison can be made. I believe this is the only way to arrive at a fair swap. I would like to keep all of the material you have sent except the sheet of \$5. Augusta which has no margin, and of which I have purchased several sheets since that time with ¹⁰ margins. If you disagree with my valuations please say so, or retain those items you ~~do~~ wish to trade at that price.

I was soory to have missed you when I went thru St. Louis, but I guess my wife was satisfied, for we had an opportunity of seeing the opera instead.

I have seen Blanchard several times in New York, since I came up, and attended one meeting of the Essay Proof Society. I enjoyed the meeting very much and believe you would too. The tie and essays are very interesting.

I do not have any of the paper money which you inquire about in trad for the Dix notes, and do not know whether Blanchard has or not. Think I shall forget about the Dix note for the time being.

Sincerely,

George C. Murphy

Dear Sir:

I wish to thank you again for the courtesy shown me, in our near all night session recently while I was in St. Louis. I appreciate it very much.

In accordance with our conversation, I am enclosing herewith notes which I have and in which you expressed some interest, as follows.

1 sheet of Phoenix Bank, Nantucket, uns. unc. 1-1-2-3

1 Bank of the U S \$5.00 No 1291 dated June 20, 1800 Boston Branch.

1 " " 20.00 No 988 " June 18, 1799 Philadelphia.

1 Canal Bank, New Orleans, La. \$500. Uns Unc blue surc.D Brown back

1 " " " 1000. " " " M " "

these last 2 will supplement the 20-50-100 which you traded for.

1 Reprint of lithograph of the Bank of the U S. which you probably will cherish more than I will,

The Phoenix sheet I have in duplicate.

The 2 Canals are also duplicate.

The Bank of the U S are not, but if want them to enhance your collection I will trade, as it is doubtful if I will ever be able to get the rest.

The print is a gift.

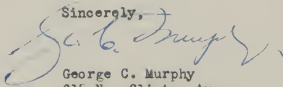

I do not remember whether you told me you would like any sheets I have in duplicate or not. I have possibly 15, all very attractive which I will trade for approximate value.

I am interested in any New Orleans, La. I do not have, which I did not tell you the other night. I have no Citizens Bank, and these are very attractive. I goes without saying the Dix note also.

I will send you one of my loose leaf 14" x 9" binders soon, as I have to make up some more.

I have some State of Mo. sheets, defense bond, 1-1-1-3

Sincerely,

George C. Murphy

Dear Mr. Murphy:

I recall with pleasure the fun we had together while you were in St. Louis, and am sorry I have been unable to answer your letter sooner.

I think we will be able to do a lot of swapping, and if you want to dispose of a great many of my paper money duplicates as a lot I will look into the matter so that you may consider doing so.

The Bank of the U.S. notes which you sent me are not genuine, but I am glad to add them to my group of examples of devilment in the early days.

I am enclosing a group of Louisiana notes listed on the enclosed memorandum, and you may work out what you think is a fair exchange. I will endeavor to check up on the value of the Dix notes.

You might send me a memorandum of the sheets you have.

My kindest personal regards to you.

Sincerely yours,

EPNewman/me

George Murphy
